Nice weather is coming!!!! With warmer weather comes more outdoor activities. Kids riding bikes, playing ball, hanging out with friends, picnics, etc. Please remember that the houses are very close together. Teach your kids and guests to respect your neighbors and other tenants.

With your help, we can make this Spring & Summer a safe and pleasant one for everybody!!!!

Spring is just around the corner...

*Exterior inspections will be done in the near future at Windsong Terrace and Northview Terrace. Take a look around you. When the snow melts, everything looks dirty. Please help by raking and picking up papers and garbage. This not only makes your house more appealing to others, but also helps the spring flowers bloom more easily. **Help prevent critters from coming near your unit by ensuring that all garbage is put in cans and dumpsters. If your children are taking out the trash, show them that all of the garbage needs to be put in the dumpster or tote...not placed on the ground. Not only will this attract rodents, but it does not make a good impression on you.***

Good Friday...

The office will be closed on Friday, April 18th for Good Friday. Have a Happy Easter!!

If you own a dog please be respectful of your neighbors. When walking your dog, please clean up after it as per your signed lease. How annoying would it be if you or your guest stepped in dog waste??

Tell us your story...

It has come to our attention that some of our tenants have overcome hard times, graduated with a college degree and/or gone on to get a better job. If this is you, submit your success story for us to share in upcoming newsletters!! Prove to others that it can be done!!

Attention Hi-Rise Tenants!!

The common area rooms, elevators and equipment, including washers/dryers, are shared by everybody in the building. Please be respectful of others. If you make a mess, **CLEAN IT UP!! THIS IS YOUR HOME.** **LET'S KEEP IT CLEAN!!!**
