Nice weather will hopefully be here to stay soon!!!! With warmer weather comes more outdoor activities. Kids riding bikes, playing ball, hanging out with friends, picnics, etc. Please remember that the houses are very close together. Teach your kids and guests to respect your neighbors and other tenants.

With your help, we can make this Spring & Summer a safe and pleasant one for everybody!!!!

Spring is just around the corner...

Exterior inspections will be done in the near future at Windsong Terrace and Northview Terrace. Take a look around you. Please help by raking and picking up papers and garbage. This not only makes your house more appealing to others, but also helps the spring flowers bloom more easily. **Help prevent critters from coming near your unit by ensuring that all garbage is put in cans and dumpsters. If your children are taking out the trash, show them that all of the garbage needs to be put in the dumpster or tote...not placed on the ground. Not only will this attract rodents, but it does not make a good impression on you.**

Report Repairs

Report anything that needs to be repaired Immediately. Waiting can make the problem worse and result in more costly repairs. **DO NOT TELL A MAINTENANCE MAN...REPORT ALL PROBLEMS DIRECTLY TO THE OFFICE.** A work order will be issued and maintenance will be informed of the repair that is needed.
