Check us out!!

Nice weather will hopefully be here to stay soon!!!! With warmer weather comes more outdoor activities. Kids riding bikes, playing ball, hanging out with friends, picnics, etc. Please remember that the houses are very close together. Teach your kids and guests to respect your neighbors and other tenants.

Please make sure that your kids pick up after themselves when playing in the playground, parking lots and common areas. This includes bikes, balls, skateboards and portable basketball hoops as well as trash and garbage. Any items that are left in the above areas will be removed by maintenance. If you are missing any items that you left behind, call the office. If we have them, they will be returned at our convenience.

With your help, we can make this Spring & Summer a safe and pleasant one for everybody!!!!

Spring is just around the corner...

Take a look around you. Please help by raking and picking up papers and garbage. This not only makes your house more appealing to others, but also helps the spring flowers bloom more easily. Help prevent critters from coming near your unit by ensuring that all garbage is put in cans and dumpsters. If your children are taking out the trash, show them that all of the garbage needs to be put in the dumpster or tote...not placed on the ground. Not only will this attract rodents, but it does not make a good impression on you.
