Closed Monday-Friday 12:00-1:00 for lunch

iCircle Care is a managed long-term care plan that is committed to helping those who are chronically ill or have a disability, or those who otherwise require community-based long term care services, find and receive the best long-term care and treatment for their situation. For more information, contact Duane Girdner at 1-844-424-7253.

## SAVE ENERGY

Air conditioners are the biggest users of electricity. Save energy by:

- \* Closing outside doors and windows during hot periods of the day and when the air conditioner is on;
- \* Closing window shades and drapes;
- \* Turning off the air conditioner when not at home or on mildly warm days;
- \* Using the stove as little as possible.

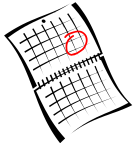

Reminder to our recent high school graduates...**if you are continuing on to college or have recently begun working, you must report this to the office.** Failure to do so is a lease violation and may jeopardize housing for your entire family.

## Put Butts In Their Place

Cigarette butts on the ground are disgusting and unsanitary. Please put cigarette butts in their place.

## Important Dates to Remember:

Thursday, 8/6/15—14 Day Notices and Late Fees issued for month of August if rent not paid by 4:30 pm on Wednesday, 8/5/15

Week of 8/24/15—Annual Inspections for families with August recert date

Wednesday, 8/26/15—Court for 14 Day Notices issued in July if not paid

## FoodLink Curbside Market Dates

The FoodLink truck will be at the 200 East Miller “Hi-Rise” parking lot on August 4th, 11th and 25th from 12:10 pm until 12:40 pm.

Warmer weather is here and we all enjoy spending time outdoors with family and friends. Please be respectful of your neighbors and keep your TV and/or radio turned down if your windows are open. Also avoid disturbing or loud noise in and around your unit between 10:00 pm and 7:00 am.

## Conserve Water Tips

- Report all water leaks, drips no matter how small
- Do not use the hose to clean sidewalks
- Don't let children play unattended with hoses
- Keep swimming pools filled with a lower amount of water to reduce the amount of water splashed.
