Please remember that you **CANNOT SET UP AN INSTALLATION DATE UNTIL YOU RECEIVE AN APPROVAL LETTER FROM THE OFFICE.**

This approval letter will not be issued until **ALL** conditions of the Satellite Dish Policy have been met. Be aware, not all units will receive a satellite dish signal. The office is aware of some units that a signal is not available to. If you would like a copy of the policy or to see if your unit is on the list of houses that do not receive a signal, please call the office.

Be aware, failure to comply with this policy will result in enforcement of your signed lease.

RAD Update...

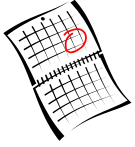

At this time, we are still waiting to hear from HUD Washington as to a closing date for conversion to RAD. At this point, we are looking to start new leases effective October 1st. Please be aware, this date is subject to change due to HUD Washington. Once a definite closing date has been established, you will receive a letter from us with new lease signing dates.

Reminder to our recent high school graduates...**if you are continuing on to college or have recently begun working, you must report this to the office.** Failure to do so is a lease violation and may jeopardize housing for your entire family.

Wednesday, 8/10/16—Court for 14 Day Notices issued in July if not paid

Week of 8/15/16—Annual Inspections for families with August recert date

FoodLink Curbside Market Dates

The FoodLink truck will be at the 200 East Miller “Hi-Rise” parking lot every Tuesday from 12:30 pm until 1:00 pm thru November. Cash, Debit, EBT and WIC/FMNP are accepted.

Warmer weather is here and we all enjoy spending time outdoors with family and friends. Please be respectful of your neighbors and keep your TV and/or radio turned down if your windows are open. Also avoid disturbing or loud noise in and around your unit between 10:00 pm and 7:00 am.

SAVE ENERGY

Air conditioners are the biggest users of electricity. Save energy by:

- * Closing outside doors and windows during hot periods of the day and when the air conditioner is on;
- * Closing window shades and drapes;
- * Turning off the air conditioner when not at home or on mildly warm days;
- * Using the stove as little as possible.

Conserve Water Tips

- Report all water leaks, drips no matter how small
- Do not use the hose to clean sidewalks
- Don't let children play unattended with hoses
- Keep swimming pools filled with a lower amount of water to reduce the amount of water splashed.
