Warmer weather is here and we all enjoy spending time outdoors with family and friends. Please be respectful of your neighbors and keep your TV and/or radio turned down if your windows are open. Also avoid disturbing or loud noise in and around your unit between 10:00 pm and 7:00 am.

SAVE ENERGY

Air conditioners are the biggest users of electricity. Save energy by:

- * Closing outside doors and windows during hot periods of the day and when the air conditioner is on;
- * Closing window shades and drapes;
- * Turning off the air conditioner when not at home or on mildly warm days;
- * Using the stove as little as possible.

Conserve Water Tips

- Report all water leaks, drips no matter how small
- Do not use the hose to clean sidewalks
- Don't let children play unattended with hoses
- Keep swimming pools filled with a lower amount of water to reduce the amount of water splashed.
