Attention Tenants of "200 East"

Any and all food or garbage going down the garbage chutes **must be placed in tied bags** prior to putting down the chute. This includes pizza boxes and take out containers.

Any garbage or boxes that you don't wish to bag must be taken down and placed in the outside totes.

If this behavior continues and we find out who is responsible, we will issue Warning Letters and could result in termination of your signed lease.

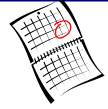

Reminder to our recent high school graduates...**if you are continuing on to college or have recently begun working, you must report this to the office.** Failure to do so is a lease violation and may jeopardize housing for your entire family.

SAVE ENERGY

Air conditioners are the biggest users of electricity.
Save energy by:

- * Closing outside doors and windows during hot periods of the day and when the air conditioner is on;
- * Closing window shades and drapes;
- * Turning off the air conditioner when not at home or on mildly warm days;
- * Using the stove as little as possible.

Conserve Water Tips

- Report all water leaks, drips no matter how small
- Do not use the hose to clean sidewalks
- Don't let children play unattended with hoses
- Keep swimming pools filled with a lower amount of water to reduce the amount of water splashed.
