Attention Hi-Rise Tenants...

We have found that tenants are disposing of glass bottles down the garbage chute. This not only causes a mess but is also a safety concern for the people who have to clean it up. If you have glass bottles that you would like to dispose of, please bring them downstairs and place them next to the recycle bins in the laundry room.

President's Day!!!

Please note, the office will be closed on Monday, February 20th.

Attention High School Seniors...

\$22,500 in Scholarships...Financial Aid for students living in affordable housing.

The 2017 Cannon Heyman & Weiss Scholarship Fund will make scholarship awards for full and part time study at approved colleges, junior colleges, technical schools and other post-secondary institutions leading to a degree, diploma or certificate. Application deadline is April 15, 2017.

Wrong Mail??

How often do you check your mail only to see that you have received mail for somebody else? Post Office personnel often rotate from town to town which causes mail to get placed in the wrong mailbox. Please be considerate of other's mail and either put it back in the mail box with a note stating it was in the wrong box or return it to the post office. **DON'T THROW IT AWAY!!** What may not seem important to you may be important to them.

In addition, if a package is left outside somebodies door, please be respectful and leave it alone. It is illegal and you could be arrested and charged.

Attention Windsong Terrace Tenants...

Some of the houses at Windsong Terrace are heated with a boiler system. This means that their heat is generated by extremely hot water running through baseboards located throughout the unit. This hot water tends to create excess moisture which could potentially cause mold to appear on interior walls and ceilings. To help avoid this problem, be sure that your furniture is pulled away from the heat runs, allowing for appropriate air flow throughout your house.
