Snow Removal

Maintenance will begin plowing at 5:30 am if we receive 3 inches of snow or more. Please be extra cautious around the snow plows. Just because you see them doesn't mean they see you.

Don't expect immediate results during times of heavy snowfall (6" or more). Be patient and don't call the office!

Driving Park Circle Tenants...

During periods of heavy snow, be sure to keep clear of snow around the furnace ventilation pipes (white PVC pipes) that are located behind your house.

Failure to keep these clear of snow can result in your furnace not working.

Attention Windsong Terrace Tenants...

Some of the houses at Windsong Terrace are heated with a boiler system. This means that their heat is generated by extremely hot water running through baseboards located throughout the unit. This hot water tends to create excess moisture which could potentially cause mold to appear on interior walls and ceilings. To help avoid this problem, be sure that your furniture is pulled away from the heat runs, allowing for appropriate air flow throughout your house.

FoodLink Curbside Market Dates

The FoodLink truck will be at the 200 East Miller “Hi-Rise” parking lot on February 12th, February 26th, March 12th and March 26th from approximately 10:00 am until 10:45 am depending on weather conditions.

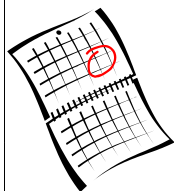

Important Dates to Remember:
