****Driving Park Circle recycling will begin July 1st and will be picked up every other Monday.**

****Windsong Terrace recycling will begin July 3rd and will be picked up every other Wednesday. Please place your recycle bins in the grassy area next to the dumpster in your cul-de-sac.**

ATTENTION: All Tenants...

Please make sure that your kids pick up after themselves when playing in the playground, parking lots and common areas. This includes bikes, balls, skateboards and portable basketball hoops as well as trash and garbage. Any items that are left in the above areas will be removed by maintenance. If you are missing any items that you left behind, call the office. If we have them, they will be returned at our convenience.

Newark Housing Authority would like to say "Congratulations to the Class of 2013"!!

Kiddy Pools....

Rules for the Dog Days of Summer

* Newark Village Code only allows for small swimming pools no more than **24** inches deep—this means the pool cannot hold more than 24 inches of water.

* **Due to electrical hazards, no pool filters will be allowed!!**

* Move your pool to different spots in your yard to keep the grass looking fresh and green and prevent you from being charged for re-seeding.

* All pools must be put away **by September 30th. Any pools remaining after September 30th will be removed by NHA maintenance staff.**

Happy Father's Day!!!

Grilling Season is here!!!!!!!

Use caution when using gas or charcoal grills. Remember to turn off the propane when you are finished with your gas grill. Be sure the area is free of kids and pets and do not use them close to the houses or sheds as there is the risk of damage to the siding.

NOTICE TO ALL TENANTS...fire pits are not allowed on NHA property.

MOWING.....

It is your responsibility to keep your yard mowed, trimmed and clean on a **regular basis.** Village of Newark Code Enforcement Office states that grass/weeds above 6" tall is a violation. We will not tolerate any lawn that is cluttered or full of debris or garbage. **Be aware, if the maintenance department is mowing and sees that your lawn has not been mowed and is high, they will mow it and you WILL BE CHARGED \$75.00.**

Your yard is for lawn furniture, not vehicles—so please do not park your cars there. You will be charged for any damage done to your yard!!

Windsong Terrace residents...be sure garbage and trash is placed **in** the dumpsters and not left on the ground.
