## Spring Clean-Up.....

Do you know what curb appeal is? Spring is approaching and it is time to take a good hard look at the area around your unit. Does your unit look good from the curb?? When the snow melts, everything looks dirty. Please help by raking and picking up papers and garbage. This not only makes your unit more appealing to others, but it also helps the spring flowers bloom more easily. YOU are responsible for the up-keep of your yard. The way your yard looks is a reflection on you. Make it a point to teach your kids to pick up toys and bicycles and store them neatly. *Let's all help make a good impression!!*

If you own a dog please be respectful of your neighbors. When walking your dog, please clean up after them. How annoying would it be if you or your guest stepped in dog waste??

## Good Friday
