ATTENTION: All Tenants...

Please make sure that your kids pick up after themselves when playing in the playground, parking lots and common areas. This includes bikes, balls, skateboards and portable basketball hoops as well as trash and garbage. Any items that are left in the above areas will be removed by maintenance. If you are missing any items that you left behind, call the office. If we have them, they will be returned at our convenience.

As some of you may recall, at the end of October, 2013 Newark Housing Authority began the process to submit an application to HUD under the Rental Assistance Demonstration (RAD) Program. We have recently received approval from HUD to proceed with RAD and are reviewing it to see if it is feasible. This will take several months before a determination is made. In the near future, a contractor will be completing an inspection of random units as part of the RAD Program requirements.

Watch for more information as this project progresses.

Grilling Season is here!!!!!!

Use caution when using gas or charcoal grills. Remember to turn off the propane when you are finished with your gas grill. Be sure the area is free of kids and pets and do not use them close to the houses or sheds as there is the risk of damage to the siding.

NOTICE TO ALL TENANTS... fire pits are not allowed on NHA property.
