## ATTENTION: All Tenants...

Please make sure that your kids pick up after themselves when playing in the playground, parking lots and common areas. This includes bikes, balls, skateboards and portable basketball hoops as well as trash and garbage. Any items that are left in the above areas will be removed by maintenance. If you are missing any items that you left behind, call the office. If we have them, they will be returned at our convenience.

## LIVE-IN's

There's no other way to say it—it's simply **FRAUD!!** Allowing someone to stay in your unit and not reporting it is considered fraud. Many people think "THEY" don't live there because they get their mail some other place, or they still live with "mom and dad", when in fact they haven't seen mom or dad in months. Somebody is considered living there if you allow them to stay in your unit more than 1 night or sleep during the day per week or a total of 35 hours per week.

## Prevent Basement Flooding!!

Spring is here and with Spring comes rain. If you live at Northview Terrace, you may have a sump pump in your basement. In order to help prevent flooding in your basement, the sump pump must be kept clear of toys and other items. In cases of heavy rain, please check periodically to ensure that your sump pump is working properly so that your personal belongings don't get destroyed.

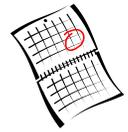

## Happy Memorial Day!!!

The office will be  
closed on Monday,  
May 31st.

## No Parking on the Lawn.....

Per your signed lease, parking on the lawn is prohibited. This causes damage to the yard for which you will be charged to repair and could ultimately result in termination of your lease. Don't risk losing your home...park in your driveway or parking area.
