Stove & Refrigerator Care

Kitchen appliances should be thoroughly cleaned on a regular basis. Greasy and dirty appliances are a fire hazard and can attract unwanted pests for which you will be held responsible. Don't forget to clean the stove hood and fan to keep them free of grease.

HAPPY HALLOWEEN

With winter just around the corner and snow on the way...please take the time to clean up around your house. Make sure summer toys including basketball hoops, bicycles, etc. are put away and garbage is picked up.

Columbus Day...

Please note, the office will be closed on Monday, October 10th

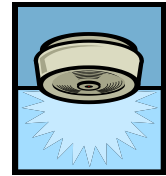

Air Conditioners

All units must be removed by November 1st. Don't let your money fly out the window. Be sure your storm windows are shut tight—you will be surprised how warm your house feels.

Attention kids...

Fire Safety Poster Contest registration forms are due in the office by October 3rd. Register and receive free poster board to submit a poster. This year's theme is "Don't Wait...Check the Date". You could win up to \$50!!!!
